1. The date that the garnishee received the order of garnishment of the judgment debtor's personal earnings. 1. \_\_\_\_\_
2. The total probable amount due on the judgment, including court costs, judgment interest and, if applicable, pre-judgment interest, as stated in either Section A of the order of garnishment of the judgment debtor's personal earnings. 2. \$ \_\_\_\_\_
3. The total amount that has been withheld from the judgment debtor's personal disposable earnings and paid to the court while the order of garnishment of the judgment debtor's personal earnings remained in effect. 3. \$ \_\_\_\_\_
4. When applicable, the total probable amount due on the judgment (as stated on line 2 above) is not equal to the total amount that has been withheld (as stated on line 3 above). The reason for that difference is that the order of garnishment of the judgment debtor's personal earnings ceased to be in effect for the following statutorily prescribed reason(s). Check whichever apply.

(a) A municipal or county court appointed a trustee for the judgment debtor and issued an order that stays the order of garnishment of the judgment debtor's personal earnings.

(b) A federal bankruptcy court issued an order that stays the order of garnishment of the judgment debtor's personal earnings.

(c) A municipal or county court, or court of common pleas issued another order of garnishment of personal earnings that relates to the judgment debtor and a different judgment creditor, and Ohio or federal law provides the other order a higher priority. (Set forth the name of the court that issued the higher priority order, the associated case number, the date the higher priority order was received, and the balance due to the relevant judgment creditor under that order):

(\_\_\_\_) (d) A municipal or county court, or court of common pleas issued another order of garnishment of personal earnings that relates to the judgment debtor and a different judgment creditor and that is not described in 4(c) above.
